 - Next Meeting
-

Notes

III. Where to go?

- ❖ A good place to understand federal funding is to stay current with information provided in the U.S. Infrastructure Law: Resources for Public Works
https://www.apwa.net/MyApwa/Apwa_Public/IIJA/U.S._Infrastructure_Law.aspx
- ❖ We need to work on our mission statement
- ❖ Upcoming Click, Listen and Learn events that may be of interest and benefit to our group are listed below. They are free and may be recorded.
 - Effective Strategies for Solid Waste & Recycling Collection (March 31, 2022)
 - Caring for Your Grounds with Smart Irrigation (April 28, 2022)
 - Climate Change Considerations for Asset Management (May 19, 2022)
- ❖ What is the Center of Sustainability doing? - More to come on this!
- ❖ Center for Sustainability (C4S)
 - C4S Knowledge Team - guide for chapter (April 11, 2022)
- ❖ Sustainability Transportation Subcommittee

III. IIJA APWA.NET Review (Carryover into next month)

IV. Next Meeting

- ❖ Until August they'll stay virtual
 - ❖ 2nd Monday of each Month 11-noon
-

Action Items

Ybairy	Provide meeting minutes and plans to attend the C4S meeting in April
Carla	Provide examples of mission statements, IIJA facts to the group, and additional information about the Sustainability Transportation Subcommittee and share with the group, Ann is interested in knowing more about it.
Mike	Attend the Climate Change Considerations for Asset Management in May
	Brainstorm mission statements for our group
