

Parking and Class Access
Lodging Suggestion
Memorial Hall, Kansas City, KS
Public Works Institute
October 23-25, 2018

Parking:

The new parking lot west of Memorial Hall will not be finished in time for our Public Works Institute. Staff of the Unified Government Wyandotte County/Kansas City, KS has made other parking arrangements. Please see the attached map. Parking options are:

- Limited parking along the south side of Memorial Hall. **However, please leave at least five spaces open for our presenters who will only be with us for an hour or so as opposed to registrants who are there for the day.**
- Slightly further south at the eastern edge of the Muffler Mart parking lot
- Across 7th Street Trafficway to the east surrounding the vacant building facing 7th Street Trafficway between Tauomee and Sandusky Avenues
- At the far east end of the St. Mary-St. Anthony Church parking lot between Tauomee and Barnett Avenues, just west of 6th Street

All parking described above will be free of charge.

Entering Memorial Hall:

After parking, walk east on Barnett or Tauomee to 7th Street and enter the front of Memorial Hall. Either take the stairwell or the elevator to the second floor Ballroom. Signing will be provided for you to follow.

Overnight Lodging:

Kansas City, KS staff have recommended the Hilton Garden Inn located:
520 Minnesota
Kansas City, KS 66101
Telephone: 913.342.7900

They have cautioned me that the week of our PWI is a NASCAR week so hotel/motel rooms may be in short supply – so you may want to book early!

Any problems, call Larry Frevert's cell phone 816.582.9236
